THE FALCON

Saint Augustine's College, founded in 1867 and located in Raleigh, North Carolina, is a historically black, church-related, coeducational institution of liberal learning offering the baccalaureate degree. It is in the critical and exciting juxtaposition of past, present and future that Saint Augustine's sets its mission. The mission is to prepare all students to become knowledgeable agents of change — capable, creative and responsible citizens of independence and integrity; who make positive contributions to society — by providing for maximum development of their intellectual capacity, developing practices of scholarship, imagination, wisdom and judgement; providing opportunities for personal, social and cultural growth; providing experiences in acquiring knowledge and fundamental skills; and contributing to research related to the teaching-learning process and the general improvement of the community.

Happy Faces, We Have Arrived At St. Aug.!

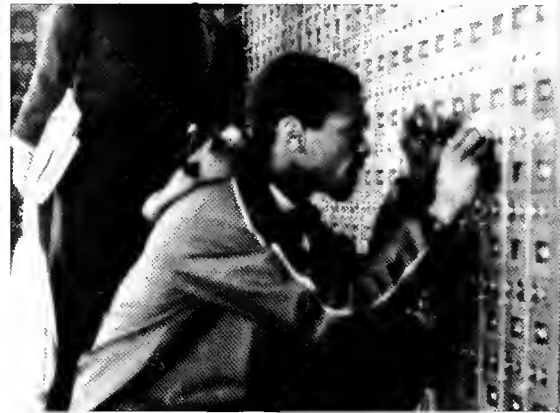

On the day of arrival in August, the Falcons came in droves. The students came to Raleigh by the various means of transportation in either a car, bus, plane, ship, or train before venturing to Saint Augustine's. After arriving and settling in, the students took part in the regular pre-curriculum activities associated with any college throughout the nation. These activities included freshmen orientation, pre-registration, and registration, and these activities lasted approximately one week. The official start of classes came soon after, and thus, the students set out to complete the task that they were there for.

Since the theme is "The World Meets at St. Aug.", what better way can this be demonstrated than by showing the statistics of students and where they are from. This academic year there were 1638 students enrolled. At the top of this list was the Tarheel State with approximately 53% of the total enrollment. The North Carolina residents numbered 867 during the first semester. Second, with approximately 7%, or 120

students enrolled, was South Carolina, while Virginia was ranked third with 118 students or approximately 7% of the total enrollment. The rest of the list was as follows:

New York	61
District of Columbia	59
New Jersey	53
Maryland	46
Georgia	41

Getting Around On Campus . . .

Among the United States' Territories there was an enrollment of 9 students. This nine was comprised of all these students coming from the Virgin Islands. The last 116 students came from foreign countries. Some of the countries included Zaire, Nigeria, and Lybia. As one can see the student body came from all over the world.

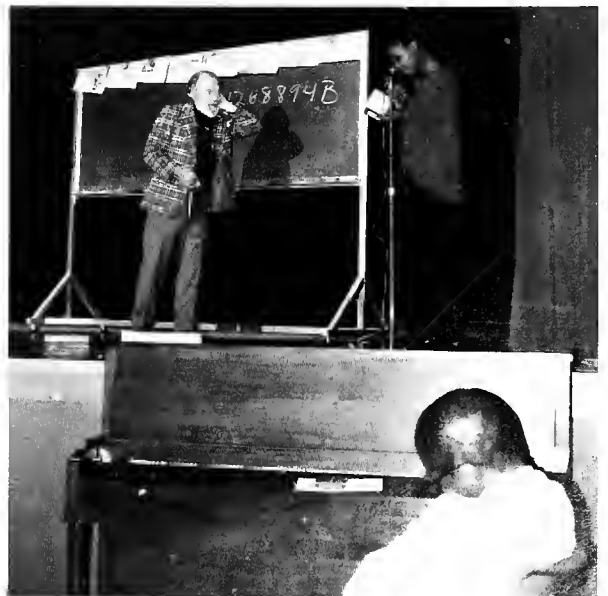

The average life of the typical Falcon dealt mainly with going to classes to the cafeteria, to the library and then back to the dorm. But these were not the only activities the Mighty '83-'84 Falcons took part in. For starters the Freshmen Class was required to go to Vesper Service held in the Chapel. Other activities included periodic movies. The featured films were "Ain't Misbehavin' ", "Creepshow", "First Blood", and "The Sting".

Not only did the students get involved individually in affairs, but some got together to become the members of clubs, social fellowships, fraternities, and sororities. These organizations sponsored activities to stimulate student participation. The most popular events were the dances. Another popular event was the auction of the Alpha's pledges.

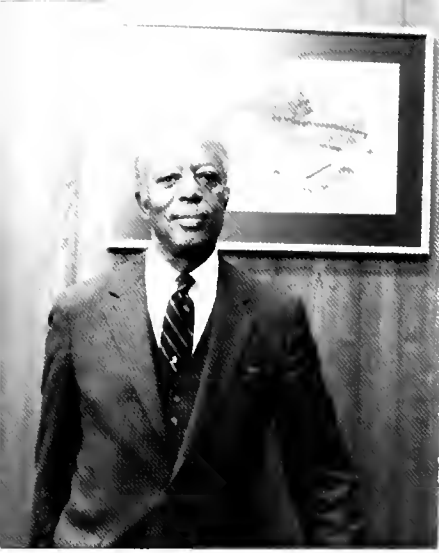

Convocation

Two social events urged the entire student body to go. These were the Lyceum and the Colloquium. The Lyceum was a program in which the student body assembled in the Fine Arts Building. The Lyceums brought many interesting people to the campus such as Mr. Fingers, a magician, and Tom Sorenson, campaign manager for Ted Hart. The Colloquium was a program in which the staff and faculty had a chance to speak about their respective departments. Speaking of departments, the ROTC Department sponsored two annual events to which the student body was invited. The first was the Awards Ceremony at which several military science students were recognized for their achievements. The second was the Military Ball and Dance which was held to honor the MS/IV cadets. Not only did the students take part in events that were associated with departments, they also took part in special college gatherings. The most important was Convocation, the official opening of the college for this academic year. Students were involved in Black College Day. Many Augites marched downtown to meet other Black colleges and universities' representatives and listened to several speakers. Another special event was the Coronation in which a multitude of spectators saw Miss Eva Diggs crowned and become Miss Saint Augustine's College, 1983-'84.

Dedication Dean C.C. Gray 1984

Dean Christopher C. Gray is one of the people who makes Saint Augustine's the College it is today. A native of Raleigh, Dean Gray came to Saint Augustine's in 1949 at the request of Dr. Harold L. Trigg, the College's first Black President. Since that time he has served the needs of the campus community in various capacities. Many graduates remember him as the Dean of Men, a position he held for many years. President Emeritus, Dr. James A. Boyer remembers him as a trusted and loyal member of his administration who always sound advice during the turbulent sixties when students sought to assert themselves politically. Dr. Prezell R. Robinson, the current President of the College, has depended upon Dean Gray for spiritual guidance, and views him as a moral anchor in the rough seas of a changing society. Students have, and continue to depend upon Dean Gray's wisdom, his honesty, and his unyielding dedication to those he serves. The Senior Class of 1984 has come to know him as a disciplined man, slow to judge, eager to assist, and relentless in his efforts to help us realize our dreams. Dean Gray has taken us, and he has loved us all.

**ADMINISTRATORS,
STAFF, AND
FACULTY**

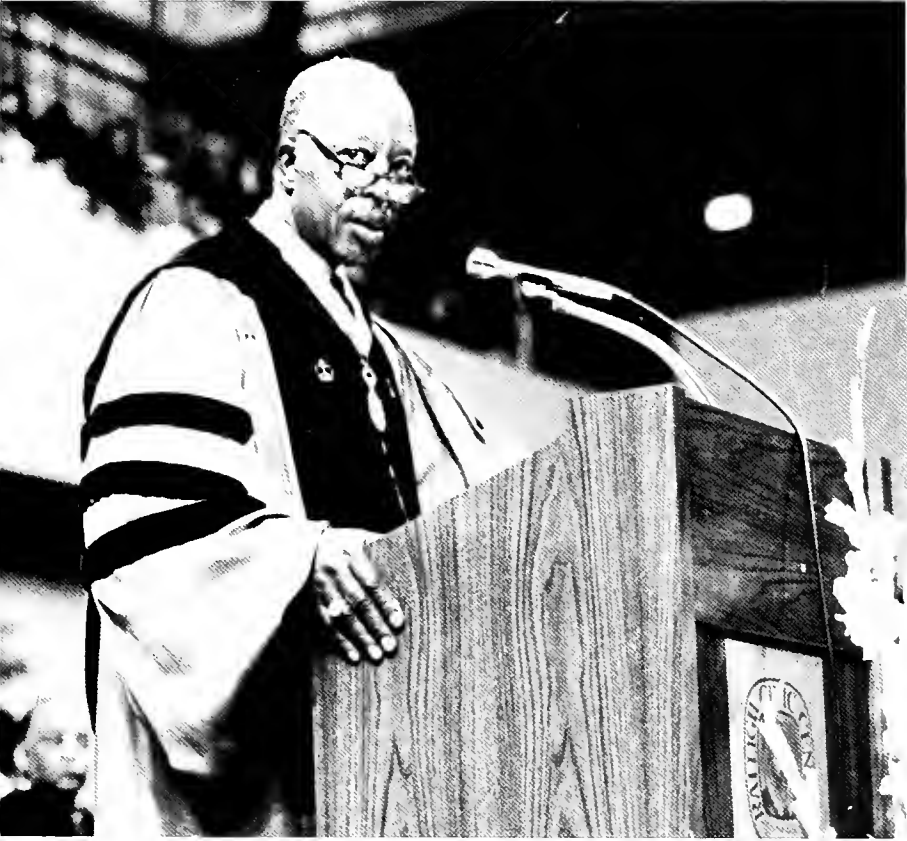

Dr. Prezell R. Robinson President

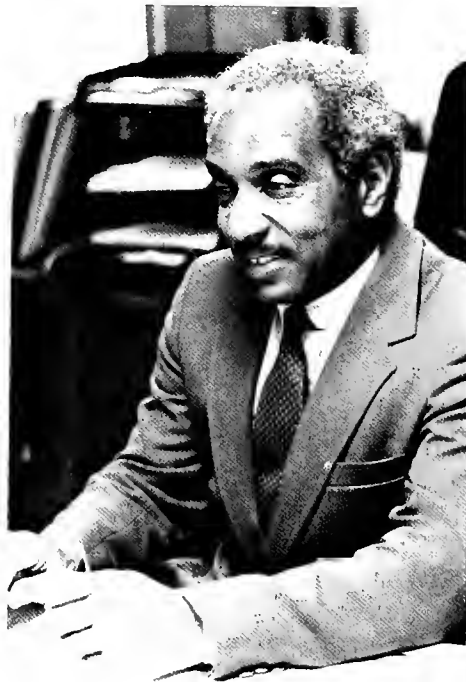

We cannot predict what the Decade of the Eighties will bring. Our lives seem to be under control of economic factors we cannot control — or foresee. As administrators of an organization so dependent on the good will and support of an outside constituency, we remain on the knife edge between success and failure. If our family — alumni, faculty, student body, and staff — guards our flank, we can only become stronger within ourselves. If our benefactors — foundations, corporations, donors, and governmental institutions on the national, state, and local level — continued their support, we can only become better capable of doing the job of educating young people. Our future, simply stated, depends on all of us doing the best we can. Our best must be the education of young minds, the strengthening of young bodies, and the bolstering of young spirits. If we succeed in turning the unformed young person of today into the productive citizen of tomorrow, we have secured the future for generations to come. With your help, there cannot be any other result.

Coronation

Eva's Coronation was held Friday, November 4, 1983. Everyone was excited and anticipated a festive evening. Dr. Robinson was on hand to deliver greetings on behalf of the College. Dean White was present to be sure that everything went as planned. The beauty of the evening was enhanced by the beauty of our Queen, her Court, and the queens of fifty-six campus organizations.

1. Eva was radiant as she entered, full of anticipation about a night she had dreamed of since her election last spring. 2. Her gown was a "Lady B" original, and contained 1300 seed pearls which were hand sewn on one hundred hand-cut lace appliques. 3. Numerous ROTC cadets served as escorts for participating queens. 4. and 5. Last years queen, Mildred McLean, was present to crown Eva. 6. Everyone except Stephanie anxiously awaited Eva's entrance. 7. Eva paused a few moments to smile at her subjects, and to give herself time to realize that her dream had come true. 8. Some of us *still* do not know the College Hymn! 9. We did not see Kenneth smile the whole evening. That's because ROTC cadets are *serious* about the jobs they do!
